Part 3: Argument in a Paragraph

Question 3.1

Read the paragraph. State the two premises and the conclusion of the main argument.

The nurse checked the supply closet while two interns debated lunch. The posted rule says every medication in the locked cabinet requires a witness when it is dispensed. The chart for room 302 shows that today's dose came from the locked cabinet. The head nurse's note concludes that today's dose for room 302 required a witness when it was dispensed.
